

Virtual Training Program on "Flow metering & Instrumentation Systems in Gas Industry"

Day / Time	21.03.2022	22.03.2022	23.03.2022
IST 13.30 - 15.00 Hrs.	Instrumentation Systems related to CGD	Operation & Maintenance of Pressure Regulators and Valves	Gas Chromatograph systems & Standards
IST 15.15 - 17.15 Hrs.	Turbine Flow Metering Systems & Standards	Gas Reconciliation	Asset Integrity and Management
IST 1745 - 1915 Hrs	Ultrasonic Flow Metering Systems & Standards	Mass Flow meter (Coriolis) Systems & Standards	Function of Meter Provers for Flow Metering Systems
