

RASHTRIYA RAKSHA UNIVERSITY

Pioneering Security and Police University of India

Name of the program: Counter-Terrorism Strategy

Duration: 2 weeks

About the program: The Course is designed to share the efforts made by Indian Law Enforcement and Intelligence Agencies to deal with terrorism and terrorist organisations.

Modules / Topics:

- The topics have been included to help understand the subject and the efforts made by India to handle such incidents within its democratic framework and using strategies. This includes developing the confidence among citizens to believe in our democratic and security system capabilities to neutralise such acts of terrorism and unwanted interference from external factors, including certain states in the vicinity.
- Case studies on major terror attacks and counter-terrorism strategies.
- Basics of Bomb & IEDs, their components, detection and identification methods.
- Signature and trends used by Left Wing Extremism, Militants in Jammu & Kashmir, North East regions and state-sponsored terrorist groups.

(Sub-topics can be submitted on final approval of the program)

Learning Outcome :

The learning outcomes would include:

- i. Understanding India's experience in handling incidents related to Terrorism;
- ii. efforts made by India in addressing and minimising these challenges;
- iii. multi-pronged strategies adopted by India to address these challenges
- iv. Lessons for the rest of the world in addressing their internal security challenges, mainly dealing with the use of bombs & IEDs by terrorist outfits.
